“ My condolences to Allison’s family. I have many fond memories of Allison and had a blast with her in high school. Allison, her mom and dad are in my prayers.

“ Deeply saddened by this. Lots of very fond memories of Allison. Met as kids and learned a lot about life with each other. My first love. Certain songs still come on the radio that take me back to those times. Still can't look at a clock reading 11:11 without a thought of you. Took me years to find and reconnect and so glad I was able to. I'm praying for you and your family that you may find peace.

“ Allison was such a fun friend. She was fierce on the basketball court too! I am so sorry for your loss and will keep your family in my prayers.

“ I am truly sorry for your loss, I loved Allison dearly and enjoyed the time I got to spend with her. Philippians 1:21-23 for to me to live in Christ, and to die is gain. If I am to live in the flesh, that means fruitful labor for me. Yet which I shall choose I cannot tell. I am hard pressed between the two. My desire is to depart and be with Christ, for that is far better. Allison and I attended church together on multiple occasions, may God be with you, until we will see her again in heaven.
