“ I have known Jeff since first grade at Marquette, where we shared many experiences in sports and scouting. He was an independent spirit who was always fun to be around. He was truly a good guy and will be sorely missed. My heart goes out to Susan and all Jeff's siblings.

“ Kathy and family, I was saddened to read in the Tulsa World of Jeff's passing away. Cancer is an insidious and horrid disease. May good memories and God's blessings comfort you. I'm so sorry for the loss of your brother.

“ He was always so sweet to join Susan at her work happy hours even though not many other spouses came and we mostly talked about work. He fit right in talking to whomever was hanging with her. He will be missed.

“ This how I remember Jeff. I remember his long hair. I remember his smile, the same smile that he has here, holding this cat. I will miss you always Jeff!
