

John Michael Carey, III

December 10, 1977 - May 23, 2020

John M. Carey III, 42, passed away Saturday, May 23, at his home in Tulsa, Oklahoma. He left this world and his beautiful family far too early. A loving husband, father, son, brother and friend, John will be missed by so many.

John grew up in Pensacola, Florida and Charleston, South Carolina. He graduated from Pensacola High School in the International Baccalaureate Program. Growing up, John ran cross country and was an active member of the Boy Scouts of America, earning his Eagle Scout, the highest achievement attainable in the scouting program.

John went on to the University of Florida and earned his degree in Chemical Engineering. He was a member of the Sigma Nu fraternity and met his wife Jenifer while in college. After graduation, John worked in various engineering, safety and environmental roles at engineering, design and construction firm URS Corporation and Tulsa-based Williams. John and Jen married in 2009.

John loved spending time with his family. He especially enjoyed being involved with Cub Scouts and teaching his young son, Jay, about the outdoors and camping. As a senior engineer at Williams for the past seven years, John never hesitated to take on a new project. When he joined Williams, he became involved with the company's United Way campaign committee. For the last several years, he co-chaired the company's participation in the Tulsa Area United Way's Day of Caring. In 2019, Williams had more Day of Caring volunteers than any other company in Tulsa, thanks to John's leadership and strong organizational skills.

John is survived by his wife, Jenifer and son, Jay; parents, Christi and John "Jack" Carey, Jr. of Orlando, Florida; brother Joshua and sisters Aimee and Caitlin Eslinger and her husband Travis; grandfather Robert Haavig of Chicago, Illinois; Jen's parents Jane and Raymond Siedlarz of Tampa, Florida and grandmother Betty Sumner of Hamden, Connecticut. Funeral arrangements are being handled by Fitzgerald Funeral Home. In lieu of flowers, the John M. Carey III Memorial Fund has been set up for the family at

“ I've worked with John since he came to Williams. He and I were in the same group initially, then both of us worked out West for a few years. John was a genuine and caring person, someone who was always honest and wanted to do the best for all involved. I express my condolences to his wife, his son, his parents and the rest of his family. He left all of us way too soon. My prayers and thoughts are with all of you as you go through this very difficult time.

“ John was a friend everyone needs to have in their life. He was outgoing and personable to all, he was highly intelligent, he was always up for a fun outing or a quiet hike, but most of all he truly cared about people. This picture was taken just after John had gotten off the dance floor at a friends wedding in Florida.

“ I first met John when he and I worked together to help move our dear friend Mandy into a new apartment. We formed a friendship that will never end. Later at URS, he became my boss and my mentor. He will always be a gentle giant and my friend and I will miss him greatly.

“ I quickly became friends with John when he started working at URS. I was also fortunate to become friends with his beautiful wife, Jen. John was such a great guy. I will never forget when I was on one of my weight loss/fitness kicks and rode my bike down to Tom Brown Park in Tallahassee to run a 5K. I wasn't able to ride my bike up the hill to go back home, so I called John who lived close by. He had no problems dropping everything to come and put my bike in the back of his truck and give me a ride home. That was the kind of guy he was. He also had a very strong work ethic and was passionate about his job and his family. He will be truly missed. My prayers go out to you all. Lots of love - Mandy.

“ I worked with John at Williams and I would call him a gentle giant. He always sent an email or call appreciating my coworker and I working with his contractors. I was able to get to know him as a person while working with United Way. The Friday before he passed he sent me and my co-workers a wonderful thank you email and I actually passed him and was able to talk to him briefly as I was leaving work that day. He will be missed at Williams and my prayers go out to his wife and family ~ Debbie Johnson
