

John Warren Erickson

March 31, 1955 - September 2, 2020

John Warren Erickson was born on March 31, 1955 in Tulsa, Oklahoma and died on September 2, 2020.

John attended Edison High School and Oklahoma State University. He was a kind, gentle soul who never met a stranger and will be sorely missed by colleagues, friends and family. He was lovingly known as "Uncus" by his nieces and nephews and as "Johnnie" by his many cousins, and sometimes JW or JDub by many friends. How we will miss his smile, his bad jokes and his constant laughter.

John never married but was predeceased by his love, Laura Barnes. He loved and adopted her many dogs and adopted a loved one of his own from a shelter, Mr. Rowdy.

John was a successful Commercial and Home inspector for many years and founded his own company, Erickson Inspection Services. He was well known, admired and respected throughout the real estate industry.

John is survived by his sister, Marellie Erickson Littlefield (David); brother, Philip Erickson (Gina); nephews and nieces, Mary Erickson, Eric Knox (Joanna and Jackson), Julie Knox Evans (Geoff, Sean, Ella), Stephen Knox (Jeni, Riley, Ryker, Rogan), Sam Littlefield (Tara), and Kate Littlefield Ring (Brennan); cousins, Eric and Shannon Grimshaw, Mackie Shaughnessy Sutton, Megan Shaughnessy, Rick Shaughnessy, Marion Heard, and Elsie McAdoo (Sandy).

There will be a graveside service at Calvary Cemetery (91st & Harvard) on Tuesday, September 8, 2020, at 10:00 a.m.

RIP John. We all loved you more than you knew.

“ I've known John for nearly 40 years and in the last 11, we became close and would go out to eat or just talk on the phone because we both lived alone and would sometimes get lonely. John used to say people just wanted to text these days, and he was old fashioned liked getting a phone call & having a personal conversation. After I moved back to Tulsa in 2009, John inspected my home & a year later I found out that Laura had passed away & how much it devastated him. I reassured him many times that he would be together with her again. One year, John and I went to a Kenny Chesney concert & a sad love song came on & he turned his head the other way because he was crying. I patted his arm to let him know it's okay to be sad when someone we love dies. John "a/k/a Johnson" was generous, kindhearted, and like a brother to me; I loved him and will miss him a lot. **Rest in Peace, Brother.”

“ John wasn't your typical little brother. Phil could say more about that. He did great imitation of a frog when we were playing cards. Not just your "ribbit" stuff. He put the frog in everything he said. He was that age when your voice could do that. Cracked me up. I miss his energy, his smile and his wit. My heartfelt to condolences to you Marellie, and Phil.

“ Johnnie, was such a funny, sweet Cousin, we were the youngest of our two families. He was a joy and lit up a lot of lives, to lose him so early in life breaks my heart. I am happy about the last time I spent with him, we went out to dinner and then sat in his car till 2 am just laughing about our lives and telling stories on our families and being Cousins. His love of Animals and nature, he always shared on Facebook.and lit up my days. Johnnie was just a good soul and I'm so glad he was my Cousin. My life was enriched by him.
LOVE YOU MY CUZ FOREVER!
