“ Larry and I grew up across the street from each other. I still live across the street from where Larry grew up in the old Thompson house; been here for 45 years. I extend my deepest condolences to his brothers David, Jim, and Greg.

“ Larry hired me in 1982 to work for Transco and I have not left yet. Larry was a very strong influence on me since I was still young. He was a great boss, leader and very beautiful individual. Larry basically gave me the start to my career and he will always hold a special place in my heart. My thoughts and prayers go out to Maurine and the rest of the family. May Larry now rest in peace.

“ My sincere condolences to the family, especially Maureen. I owe a lot to Larry. He and I met on a plane in 1981 when I was finishing college and he hired me almost on the spot for Insulation Services, and then hired me again for Transco in 1984. Larry was president here at Transco, and I now have that position...and it all goes back to that plane ride in 1981. I'm very grateful for his mentorship. He'll be sorely missed!

“ Best big brother and brother in law we could have. Love him and his dear wife, Maureen, so much and will greatly miss him. Feel blessed he was such a big part of our lives and thankful he is now free of the debilitating Parkinson's disease. Know your rejoicing in Heaven and look forward to the day we see you again Larry
