I am saddened to learn of Susie's passing. She was a member of the Theta chapter at Washburn with me and I remember her very fondly. She was such fun, with a great sense of humor. She cared about others so much. My sympathies are with you.

To Susie's family:
I so miss Susie, a wonderful friend since we met in 2011. After I moved to Frisco TX, we were in frequent contact. I enjoyed her sense of humor, her quick mind and her generous heart. My last message from her followed her visit to SC and she spoke of her brother, Hank, and his improved health. She cannot be replaced. I expect to see her again when I meet the Lord. Many blessings for healing to you all who are grieving.
